

VOL. XXXIX No. 33

WAINWRIGHT, ALBERTA, WEDNESDAY, JUNE 25th, 1947

Price \$2.00 Per Year In Advance

United Church Scene Of Pretty June Wedding

The wedding took place at the United Church, Wainwright, on Wednesday, June 19, of Doris Mae Wilson, eldest daughter of Mr. and Mrs. Wilbert Wilson, Corralton, Alberta, and Marvin Clarence Jackson, youngest son of Mr. and Mrs. Walter Jackson of Greenfield. The church was decorated with pink and white geraniums. The marriage was performed by Rev. Whelan.

The bride entering the church on the arm of her father was lovely in a long length gown with a satin bodice made with a sweetheart neckline of lace outlined in gold, and long sleeves, the full skirt was of net. Her long-length veil was gathered into an orange blossom wreath. She carried a bouquet of American Beauty roses and her only ornament was a hand-made shell brooch.

Attending the bride were Miss Shirley Wilson, her only sister, and Miss Jessie Jackson, sister of the groom. Miss Wilson wore a long length gown of blue sheer with long sleeves and square ruffled neck. She carried a bouquet of carnations and lilies. Miss Jackson chose a floor length gown of pink rayon marquisette with a sweetheart neckline and long length gloves and carried a bouquet of pink carnations and lilies. Little Miss Ardelle Sykes, niece of

Edgerton Sports Day Biggest Ever

Over a thousand people crowded into the Sports Grounds at Edgerton June 16th to see and take part in, the biggest sports day in the history of Edgerton. Baseball teams entered from Clear, Lloydminster, Wainwright, Rimbou, Chauvin, Edgerton and Metekow. In the first round, Metekow defeated Lloydminster. Edgerton took out Rimbou in a close 2-0 decision. Clear won from Wainwright 1-0, and Chauvin got the bye. In second round Lloydminster just nosed out Clear in a thriller that ended 5-4. Chauvin entered the final by beating Edgerton 10-4. The final between Chauvin and Lloydminster was tied. After nine innings the score was tied 3-3, and the game was called on account of darkness by reference.

Eight teams entered the men's softball—McCafferty, Edgerton, Intermediate, Edgerton B, Bloomington, Silgo, Hope Valley and Prospect Valley. First round McCafferty took out Dole in an extra ender. Bloomington took Edgerton Intermediate 16-3. Hope Valley won from Edgerton 10-1, and Silgo beat Prospect. In second round Hope Valley won from Bloomington 10-9 while McCafferty took Silgo. The final saw McCafferty win over Hope Valley 4-3 in another seven inning thriller.

In the ladies softball four teams entered—Wainwright, Silgo, Edgerton and Chauvin. Wainwright Aces won from Edgerton H.A. 12-9 and Silgo took Chauvin. In the final, Silgo scored an easy victory over Wainwright 16-3.

In the Junior track events Dick Welsh cleaned up with three firsts—high jump, long jump and pole vault. Roy Stuart was the big winner in the Open events taking high jump and pole vault. Don Dinmore took the half mile in 2:16, and the hundred yard dash.

Jimmy Little's entry took two out of three heats in the open horse race. Cordie Dorian's entry won the pony race.

Bishop Brothers collected the prize money in the horse show tournament over seven other entries. A complete line of children's sports were run, out of the sports room was used as a show-room for the prizes for these events. No track was kept of winners. The United Church and Anglican Women's Auxiliaries ran the booth, and from all accounts were very successful. A huge crowd of children and the day off at the show and dance at the Edgerton and District Memorial Hall. It was a big day and Edgerton Board of Trade is to be congratulated on the efficient way in which it was handled.

Calf Club Members To Hold Show July 3rd

The Wainwright Boys and Girls Calf Club plan to hold their first annual calf club show and sale on Thursday, July 3rd, according to an announcement in other columns of the Star this week.

This calf club was formed last year and now has 35 members, who have been raising calves for this event. It is planned to stage the event each year in the future.

The showing and judging of the animals will take place in the Wainwright stabling rink, with the sale to be held immediately after. Judging will start at 1:00 p.m. and it is expected that it will take the better part of the afternoon. Following that there will be a banquet held in the Wainwright Hotel for the contestants, as well as their families and friends.

It is expected that local buyers will be on hand to bid for these prize animals and it is hoped that out of town buyers will also be on hand to make their bids for the animals. The public is cordially invited to attend this showing and sale which merits a good deal of support. The boys and girls in the club have worked hard during the past year getting their animals in shape for this event.

Edgerton Pioneer Passes On

One who could be truly called a pioneer passed away in Edgerton in the person of Calvin Fayette Taylor, lately of Wainwright, Alberta, on June 19th, with the President, Mrs. Bradley presiding.

There were seven members present. The meeting opened with the reading of the minutes of the previous meeting which were moved adopted as read.

The treasurer gave her report showing a bank balance of \$351.96 in the bank. Business discussion followed and it was moved by Mrs. Roberts and seconded by Mrs. A. Rattray we discontinue business meetings until Sept. 4th, however everyone not holidaying the first and third Thursdays during July and August will attend in order to keep ahead with the sewing and

Hospital Aux. Hold Last Meeting Until Fall

The ladies of the Hospital Auxiliary held their last business meeting for the summer Thursday afternoon June 19th, with the President, Mrs. Bradley presiding.

There were seven members present. The meeting opened with the reading of the minutes of the previous meeting which were moved adopted as read.

The treasurer gave her report showing a bank balance of \$351.96 in the bank. Business discussion followed and it was moved by Mrs. Roberts and seconded by Mrs. A. Rattray we discontinue business meetings until Sept. 4th, however everyone not holidaying the first and third Thursdays during July and August will attend in order to keep ahead with the sewing and

Young Fry Will Get Their "Hot Dogs"

The Wartime Prices and Trade Board has announced that during the remainder of June and throughout the months of July, August and September, the meatless day regulations are being modified to permit the serving of venison or frankfurters on Tuesdays and Fridays, in order to allow them to be sold at such gatherings as fairs, exhibitions, picnics or outdoor conventions.

The new order makes no change in the meatless day observance regulations as they apply to hotels, restaurants or any public eating place where meals are regularly served, and where facilities are such that other foods are easily prepared.

Board officials said that the change had been made because of the great number of gatherings planned for the summer, such as the many July 1 celebrations, but they also emphasized that other than those special affairs there was no change made in the meatless day order which is saving approximately one million pounds of meat per week for shipment to needy countries.

The order specified that "hot dogs" may be served or supplied as a meal or as refreshments at any exhibition, fair, picnic, outdoor convention or other outdoor gathering held under the auspices of:

1. Any municipality or other civic organization or society;
2. The Canadian Legion or any other veteran's organization or society;
3. Any Service Club or fraternal society;
4. Any Church organization or society;
5. Any agricultural or labour organization or society.

The vendors or frankfurters must be served and supplied on the grounds where such exhibition, picnic, or other outdoor gathering is held.

School Trustees To Form Association

This coming Thursday, June 26th, there will be held in the Masonic Hall, Wainwright, a meeting of all the school district trustees within the Wainwright School Division.

It is hoped that at least one trustee of each of the 70 districts will be in attendance at this meeting to discuss ways and means to further a closer link with the division trustees. Since the forming of the larger School Divisions throughout the province, there has been serious falling off of interest among the local school trustees. While the duty of local school trustees resolve no glamour or public recognition for services rendered, it is an important link in our educational system, and it is felt by the Wainwright School Division board members that more and a better understanding could be brought about if there were an association formed.

Mr. H. E. Spencer has been chosen to act as chairman of the meeting, and the guest speaker for the afternoon is to be Mr. G. A. Andrews of Edmonton, secretary of the Alberta School Trustees Association.

Interesting Demonstration Held

Only a small number of interested adults viewed a display last Friday of projects made by the girls and boys enrolled in technical courses at the Wainwright Technical School. The typing room was used as a show-room for the innumerable blouses, skirts, dresses, and tables, magazine racks, leathercraft, electrical gadgets, and countless other articles. Several young ladies from the Home Economics, a student from the shop, and Mr. Charles Cromie, Industrial Arts teacher, acted as hostesses and hosts to the guests, and answered any queries. Tea was served in the Home Economics room, with Mrs. Cromie presiding from the various Home Economics classes serving and Miss L. Bloom receiving. Visitors generally expressed gratification of their attendance at a delightful function.

Blood Donor Week Passes Quietly

Not very much activity was reported at the Red Cross rooms during the Blood Donor Week, which was held from June 16th to June 21st. The volunteer idea didn't seem to catch on very well, although every day some people did report their willingness to donate blood. Feeling that the number registering was surprisingly low, members of the local branch of the Red Cross solicited names on the streets during Saturday nights. This idea met with success and the ladies were kept busy signing up donors who had forgotten to do so during the week.

At the close of the drive it was officially reported by the members of the Red Cross that 154 donors are now enrolled from the Wainwright district. It was a somewhat better showing, registering 145 names and Edgerton has 14 names on its list.

No date has yet been set by the Red Cross headquarters as to when the mobile clinic will visit the district but it is reported that it will be after the 15th of July. At that time the donors will be notified and given ample time to donate to this great humanitarian effort.

CARD OF THANKS

I wish to express my sincere thanks to Dr. J. J. McMillan and the Matron and staff at the hospital for their care and kindness extended to me during my recent illness, also thanks to my friends who called and those who sent fruit and cards.

MRS. N. W. McTURG

Farewell For Rev. & Mrs. W. Whelan

Rev. and Mrs. W. A. Whelan were honored on Friday evening June 20th when a large number of their friends and members of the congregation of the United Church met in the Masonic Hall to bid farewell to this popular couple.

The first part of the evening was spent in community singing with several musical numbers rendered by Misses Lillian Bloom, Audrey Smith and Shirley McKenzie and Mrs. W. S. Clark, also Messrs. D. Smith and Wilmer Torg.

Mr. L. W. Smith in his usual jovial manner acted as chairman for the evening. Toward the close of the evening he called on Rev. and Mrs. Whelan and presented them with a purse of money and the very best wishes of their congregation and friends for many years of health and happiness in their new home.

Later a delicious lunch was served by the ladies with Mrs. L. Mitchell and Mrs. F. Church pouring tea and coffee. The evening broke up with the singing of "Auld Lang Syne."

IN MEMORIAM

In loving memory of Arthur Joseph Rutherford who passed away June 26th, 1938.

"It is best to be thy dear son
It is best to breathe thy name
In life we loved you dearly
In death we do the same."

Ever remembered by
MOTHER, DAD, SISTERS
and BROTHERS

A Pennsylvania doctor melted down 2,000 buckets of snow to recover a diamond ring lost in a drift. Thought for June: Penetrate before marriage, expensative after it.

Reserve Army Plans Train At Wainwright

By concentration of Alberta's Reserve Army summer camps at Wainwright during July of this year, large quantities of training equipment of all types have been made available for use by units taking practical summer training.

Approximately 600 reserve officers, non-commissioned officers and men of 18 Alberta units as well as a few from certain British Columbia artillery formations will train in the Wainwright Camp area from July 27 to Aug. 3. Armored units, infantry, field and medium artillery, signals, medical companies and maintenance units are concentrating for the week of basic and specialist training and will utilize the vast concentration of training equipment.

The array of military stores now being prepared for practical training includes all types of vehicles and weapons, largest are the 35 "Sherman" medium and "Chaffee" light tanks of the latest American design. For reconnaissance training five heavy Staghound armored cars and four Lancia scout cars have been shipped to the Alberta camp. Thirty 2-ton lorries and 45 other types of transport ranging from artillery tractors to jeeps and Bren carriers are to be used.

Homestead No.1 Cemented In

There is nothing startling to report this week with regard to the Homestead Baxter Lake No. 1 well north of Wainwright. Cement was run to the top of the limestone last week and was cemented in during the latter part of the week. This cement was allowed to set until Monday night and the drilling operations started Tuesday morning to remove the plug. By late Tuesday afternoon the cement plug was drilled out and the well was being bailed. At the time of writing this was all the information that was available, but it is expected that something definite will be known as to the well potentiality later during the week.

At Home

Mr. and Mrs. W. T. Lane will be "At Home" to their friends on Thursday, June 26th, at their residence on 4th Ave. East and will receive from 3:30 to 5:30 during the afternoon and from 8:00 o'clock on, to mark the occasion of their Fortieth Wedding Anniversary.

EXPLORERS NOTES

The regular meeting of the Explorers was held in the classroom of the church with all girls present. The scripture lesson was read by Phyllis. The girls read poems which they themselves had written. The rest of the evening was spent in reading stories and poems written by girls of their own age. The next meeting will be a social party on July 4th. All girls are asked to note the change of the social and also that there will be no meeting on June 27th.

-B.G.

Tips For Correspondents

This is the first installment of a series designed to aid country correspondents of weekly newspapers in the gathering and presentation of their weekly news budgets. THE ON TIME—One of the prime essentials of a good correspondent is punctuality—getting your "copy" into the editor's hands on or before the deadline he has set for you. WATCH THE EDITING—Your copy must require a "going ahead" by the editor to conform with the paper's "style." Watch for his corrections, punctuations and other changes when the paper comes out and strive to meet his requirements in your future news.

NO FAVORITES—The correspondent who continually fills his space with items concerning the same old circle of names is not doing the job of a newsman. Aim to get as many new items as possible each week's budget. Don't include "news" items just for the sake of getting them in names or to help fill out your column.

NOT JUST "PERSONALS"—A good correspondent doesn't lay down his pen as he has sent in all the obtainable news of his particular district. Don't content yourself with a column of "personals"; search out news that your editor can use on his front page under separate headings as individual stories.

COOLING INDOORS

To keep the house or office cool this summer, have the shades down and the windows closed, if necessary on the sunny side, while leaving the windows wide open on the shady side, with a fan facing inward to keep the air moving. Moving air favours evaporation, and feels cooler, too. By following this advice, which comes from medical authorities at Ottawa, and by taking it easy in sweat, or loose clothing, Canadians can be comfortable indoors on the hottest days.

EAT TO EARN

You can't be healthier than the food you eat, say nutritionists. Food has a direct bearing on health which, in turn, plays an important part in efficiency. The experts remind working people that the state of health influences production rates, safety records and quality of output. Therefore, proper diet is necessary to ensure the best and most satisfactory returns from labor.

BASEBALL THIS WEEK

Wainwright took an 8-5 victory over the Rimbou boys at the Fair Grounds last Thursday evening. Rimbou counted out four hits in the first inning, bringing in three runs; Wainwright followed up with two making it three-ten for Rimbou. It was all tied up at the end of the fifth—6 all, Rimbou getting one run in the third and one in the fifth with Wainwright scoring three in the fourth. The first Rimbou man up in the sixth clubbed out a good side angle, making it look grim for our boys as it was getting pretty dark, but Hume really settled down in the box enabling the boys to get in a quick double on a grounder to first, leaving the bases empty and whiffing the next better to retire the side. It was then our turn and with three hits a walk and a couple of bingles on Rimbou's part, got in three runs, giving us a three run lead. The game was called at the end of the sixth.

There was an unfortunate accident in the fourth inning when Sammy Latch and Lyman Alexander collided while fielding a fly ball. The boys got there at the same time and really went into a spin, Sammy coming up with the ball and Lyman had the misfortune of fracturing his jaw in the fall. The first question Lyman asked when he got to his feet was "Sammy, did you catch that ball?"

The Sunday game here was a benefit for Lyman. As the Irma team were unable to come, it was a pickup team; mostly Wainwright boys. The Wainwright Bears took the Wainwright Cubs 7-3. It was a good game and the boys had a lot of fun. But there are some sore arms and legs after that session. How about it, fellows? There was a large crowd in attendance and the collection was \$40. We wish Lyman a speedy recovery and much better luck in the future.

The next league game to be played at the Fair Grounds is scheduled for July 7th. The boys will be playing at the tournament in Chauvin June 25th. Don't forget the ball tournament here on July 1st.

-Con.

ANNOUNCEMENT

The engagement is announced of Ruth Janet, daughter of Mr. John J. Burns and the late Mrs. Burns of Wainwright, Alberta, to Harry Leonard Wilson, son of Mr. and Mrs. Paul Wilson of Bowmanville, Ontario. The wedding will take place in Wainwright the latter part of July.

TAKE IT EASY

Take it easy. Don't exert yourself—if you would keep fit and have fun. When you take a holiday this year, make it worthwhile. Medical authorities point out that people who sit at a desk or workbench 50 weeks in the year can't expect to benefit by strenuous exercise during the other two weeks. Signs of fatigue, is the word from the doctors. Just get mildly and pleasantly tired. And to make sure just what exercise will benefit you, during your leisure, have a medical check-up, and keep on the safe side.

Legion Again Asked To Provide Canteen At Military Camp

The Wainwright Branch of the Legion and Ladies' Auxiliary have been requested to staff the Camp Canteen during the period of military training to be held this summer at Wainwright Camp.

Many compliments have been received regarding the canteen facilities provided last winter during "Exercises Husky" and a continuation of these cordial relations is looked forward to by Legion and Auxiliary personnel.

Capt. Stevens and Lieut. Clifton from Headquarters, Western Command, were in town last week making a survey of the camp for accommodation.

July 1 Committee Plans Big Day

The July 1 committee of the Wainwright Board of Trade have everything ready for the annual sports day to be staged on Tuesday, July 1st. The big feature this year will be a midway of three rides, including a ferris wheel and two aeroplane rides, one for children and one for adults. Another feature of this year will be the special farmers booth set up by the Agricultural Service Board of the M.D. through the co-operation of Mr. F. Maddex and Mr. S. Robblee. It has been planned by both these gentlemen to place on display exhibits of weeds, crops and other interesting articles which should prove of interest to the rural residents of the district.

A fine showing of ball both hardball and softball, with excellent prizes totaling over \$500.00, may also be seen. Many entries have already been received and it is expected by the time the big day arrives every ball team will be entered, fitting the schedule. There should be some fast action this year as many outside teams are planning on entering, giving the fans their money's worth.

Horse racing, which has proved so popular in years past, will be again staged and the committee in charge of this feature report that they expect record entries in this event.

Of course a day as important as the July 1st celebration could not pass without consideration for the kiddies, and as in former years there will be all sorts of kiddie events to give them a chance at collecting some of the \$400.00 designated as prize money. Events will include kiddie races, novelty races and other features which will make it a truly grand day for the younger set. Other features of the day will include horse-shoe pitching, a dance on the grounds at night, hot dogs and pop, in fact nothing has been overlooked by the committee in charge to provide for the best day of entertainment seen on the 1st of July for many years.

Everything is in the final stages of preparation for the big day and this July 1st it should be a bang-up day for the record crowd that is expected to attend.

EDGERTON

The Free Picture Show tickets donated by Mel's Motors were won by Mrs. D. Trimmer, Mrs. M. Russell, E. Rice and Dennis Wilson. The ball box will be at Spence's Motors this week.

The Rev. W. D. Ellway left Monday for Edmonton to attend the Anglican Clergy Conference which took place during the week.

A shower was held last Tuesday at the home of Mrs. Montgomery in honor of Miss Ernestine Wallis who is shortly to be married. About 60 well-wishers brought their good wishes and many and useful presents with them. A very nice lunch was served and a pleasant evening passed.

Thursday was a very marked day in Edgerton when two oldtimers were laid to rest in the cemetery here. At 2 p.m. at the United Church the funeral service was held for Wilbur Elton and at 3 p.m. the service was held for Mrs. S. E. McBrien. The Rev. G. Steele officiated at both services.

Edgerton Sports Day, Wednesday was a great success both as regards to the weather and the splendid crowd. The refreshment booth was well run by the women of the two churches and their efforts were well repaid. The ladies wish to thank all those who donated supplies or helped in any way to make the endeavor such a success. Each church benefited to the extent of \$140.00. There were two mishaps but fortunately neither proved serious. Little Patsy Castle was squeezed between a truck and the fair building, and Morris Kimball was struck with a baseball which put him out for a while.

Harold Sparks from Kelowna was here for the funeral of his mother, Mrs. McBrien and was staying at the home of his sister Mrs. Alf Challenger.

We are glad to hear that a government grader has been stationed half a mile west of the Edgerton corner and will take care of the maintenance of the highway between Wainwright and Chauvin.

The funeral of the late Cal Taylor, another oldtimer, took place at the Anglican Church Sunday and burial took place at Wainwright. The Rev. W. D. Ellway officiated.

Notons Ltd. of Lloydminster moved in a big two story house from Cadogan for Stan Steele and is located next to the skating rink.

Mr. W. Cundance arrived from England Saturday morning to visit his sister Mrs. A. Sawyer.

The Farmers Day Picnic took place at Clear Lake Saturday and a splendid crowd turned out for it.

GILT EDGE

(This Week)
Little Misses Patricia and Adeline Kitchen were in Wainwright last week to sit for their music exams with Mr. E. J. Farmer who was there from the Toronto Conservatory of Music.

Mrs. Sheridan and Jim were Sunday visitors at the home of Mr. and Mrs. Joe McClellon last week.

A nice crowd attended the church in the hall on Sunday, many of them from Wainwright.

Congratulations are extended to Miss Pearl Nicholson who recently graduated with honors in nursing from the University Hospital where she returned after a short holiday spent at home.

Mr. and Mrs. Frank McClellon were home from Lloydminster over the week-end with their parents here.

Guests at the home of Mr. and Mrs. Leslie Beasley on Sunday included Mr. and Mrs. E. Knott and family, Mr. and Mrs. Chas. Beasley and family and Mr. and Mrs. H. Spady and Mr. Bill Spady of Wainwright.

A meeting was held on Saturday by the local Telephone Directors and after much discussion it was decided to raise the rent 50 cents a month beginning August 1st.

Mr. and Mrs. Jack Peacock and baby Brian visited on Sunday with their parents Mr. and Mrs. G. Peacock.

Mr. and Mrs. Dave McClellon and Mr. Charlie McClellon were entertained on Sunday at a turkey dinner at Mr. and Mrs. Pete Spady's.

Mr. and Mrs. Jack Reid were out from Wainwright on Saturday to visit at the home of Mr. and Mrs. D. McClellon.

Surgeons at Oakland, Calif., recovered a toothbrush swallowed by John Mayher, 66, while brushing his teeth.

PLAXTONVILLE

Miss Pauline Lagerquist has returned to her home after being away for sometime.

Mrs. George McBeth and daughter Gail of Dawson Creek, B.C. is spending an extended visit with her mother Mrs. Agnes Olson.

Sunday School and church services are being held at the Plaxtonville school each Sunday.

Miss Alice Shadolt is at present in the district helping Mrs. A. Olson. The girls softball team practised at the school grounds last Monday evening.

A number of young people have returned to their homes for the holidays after attending high school in Wainwright for the past year, namely Donna Plaxton, Mary and Kenneth Tester and Audrey Gardiner.

Mrs. J. Black, Mrs. Lagerquist, Mrs. V. Aivon and Mrs. Sewell motored to Irma last Thursday to attend the W.I. conference there.

The Lagerquist family motored to Vermilion on Sunday last to visit Mrs. Fred Goddard who is ill in the Vermilion hospital.

The Plaxtonville, White Cloud and Battle Creek schools plan to hold their school picnic at the Gilt Edge park hall on Friday, June 27th. A dance will be held that night in the hall.

A large crowd came out to ball practice Sunday evening at the Gilt Edge park.

Near-by relatives of Mrs. Olson, Sr. gathered at her home to bid her farewell before she leaves on her trip to Norway. She plans to take the plane from Edmonton to New York and going from there to Sweden by boat on July 3rd.

Visitors over the week-end at Mrs. H. Olson's were the Dewar family.

A number of the boys spent Sunday at the river.

We are sorry to hear that Mr. Hughes is on the sick list in Edmonton. We wish him a speedy recovery.

HEATH

Mrs. Mabel Chynoweth accompanied by her sister and husband, Mr. and Mrs. W. Lyle left last week for a holiday in Ontario.

Mr. H. Walker of Edmonton visited with his son and daughter-in-law, Mr. and Mrs. Bert Walker last week.

Mrs. S. Bouck and two children motored from Carstairs and are guests at the home of Mr. and Mrs. H. Bouck and Mr. and Mrs. G. Turnbull.

Mrs. Peterson who has been staying with her daughter Mrs. H. Bouck left last week for Edmonton where she will visit with relatives. Her daughter-in-law Mrs. Howard Peterson of Edmonton accompanied her to the city.

Several of the ladies of the Heath district who belong to the Sunnyside UPWA were fortunate enough to attend the annual conference at the home of Mr. and Mrs. H. E. Spencer of Edgerton last week. Everyone found the meeting most educational and enjoyed a very pleasant social time.

Grade XI Departmental examinations are being written this week at Heath school. Those who are writing are Myfanay Jones, Muriel Bouck, Norma Patterson and Raymond Lewin. We hope they all make a good pass mark.

GREENSHIELDS

Mrs. I. Patterson (nee McIntee) has been visiting in the district this past week.

The Greenshields team played the return softball game with the Dormitory boys Tuesday evening and were handed a setback, being on the slender end of a big score.

Trafalgar Mutual Telephone Co. held a meeting Tuesday evening last when much business was discussed.

Congratulations and best wishes are extended for many years of happiness to Mr. Marvin Jackson and his bride, the former Miss Doris Wilson, whose wedding was solemnized June 18th. They entertained their many friends at a dance in Greenshields hall Wednesday evening.

Mrs. I. Stauffer had as her guests during the week, Mrs. A. Hardin and Mrs. P. J. C. Spady.

Miss Doris White spent the week-end in the city with friends.

GILT EDGE

Mothers Kenny Harris and Charlie Helen visited at the Sheridan home last week.

Mr. and Mrs. John Spady of Alliance, old family friends visited with Mr. and Mrs. Pete Spady on Tuesday of last week and also called on Mr. and Mrs. J. C. Spady.

Services will be held each Sunday during the summer in the Orange Hall at 3:00 p.m. with Mr. Calvin Chambers as minister in charge. Mr. Thompson will hold Sunday school just preceding at 2:00 p.m.

Miss Kiste Harris visited with Mr. and Mrs. G. Peacock for a few days last week.

Mr. and Mrs. E. Knott and family of Wainwright visited at the C. Beasley home last Friday.

Mr. Bill Spady of Wainwright spent a few days last week with Mr. and Mrs. Les Beasley.

Mr. Charlie Helen went to Edmonton on Thursday where he will receive medical attention.

WHITE CLOUD

Mrs. Ken Nash and small son, and Mrs. M. Maughan were among last week's visitors at the Cook home.

We understand the Plaxtonville and White Cloud schools are having their picnic together this year at the park with a dance in the evening.

The Welfare Club held their June meeting at the home of Mrs. Les Beasley. Roads to the south were muddy but about sixteen members attended and three visitors. Mrs. P. Teeter won the prize donated by Mrs. A. Roberts.

We understand Miss Betty Vogo is to be married in the near future. The best of luck to you Betty.

Mr. O. Cunningham arrived on Saturday from Turner Valley to visit relatives.

GERALD

The Gerald Club held its June meeting on Thursday afternoon at the home of Mrs. H. Straum. Twelve members and two visitors were present. Mrs. L. Myggland presided.

Mr. and Mrs. "How" I would like to spend my vacation," Mrs. R. Campbell and Mrs. I. Hamilton were appointed to prepare the programmes for the next six months. Plans were made to have a club picnic in July at Clear Lake, Mr. C. Guillemin and Mrs. M. Chynoweth to be the committee in charge. Mrs. G. Valieu gave an interesting talk on "News on the Radio". Then all enjoyed a social hour and the delicious lunch served by Mrs. Myggland.

Mr. L. Myggland returned last week from a visit to Calgary where he attended Grand Lodge of the Masonic order and was installed as D.D.G.L.A.

Mrs. C. King and daughter of Virton, Man., have returned home after visiting with relatives here.

Regarding Hail Insurance!

Ask Yourself These Questions!

- (1) Is this a full cover policy or do I have to stand the loss of 25% of my crop and pay the premium as well?
- (2) Are my crops protected right up until October 1st or may I lose my crop by hail after noon September 15th and still lose my premium?
- (3) If my crop is in the swath or stock either before or after September 15th and is destroyed by hail will I be paid under my policy or will I lose both my crop and my premium?
- (4) Do I have to pay my premium in cash and if I don't how much extra is it for payment in the fall?
- (5) Can I be assured of receiving payment of my loss in full?

FOR THE ALBERTA HAIL INSURANCE BOARD I CAN ASSURE YOU OF THE VERY BEST PROTECTION AND ANSWER THESE QUESTIONS BY SAYING:

- (1) Wherever you live you can buy a full cover policy and our published rates are for this type of policy. If you want a deductible clause of 10 or 20% we will write it at a considerable reduction but we do not believe that with a 25% deductible clause you have worth-while protection.
- (2) Your crops are protected right up to October 1st without any extra charge.
- (3) Even after your crop has been cut and is in the swath or stock you are still protected at no extra cost. Protection is available from the time the crop is in the ground in the Spring until it is in the bin in the Fall provided it is not after September 30th.
- (4) The rates quoted by the Board are for payment prior to November 1st and if you pay cash and do not file a claim you will receive a refund of at least 5% of your premium—in 1946 it was 7%.
- (5) You are absolutely assured in 1947 of receiving payment of your loss in full regardless of how heavy the loss is. The Reserves of the Board and its reinsurance program make sure of this.

The Alberta Hail Insurance Board is set up for your benefit as well as that of the other farmers of the Province and the above are only some of the ways it is doing this. Call and let me explain why I believe you should insure your crops against hail and why you should insure with the Board—its improvements in adjusting procedure, its payment of loss in excess of 90% as 100%, its co-operative features and the fact that with the continued support of you and the other thousands of farmers it is rapidly getting into a position where its plan of refund on premiums may be extended and made applicable to more and more of its policy holders thereby providing much cheaper protection.

WHY NOT HERE

One day last week there appeared in the city dailies, a special congratulatory section to a large fruit warehouse who have just opened new premises in Edmonton. While this concern is of little interest to this district, there was one portion of one advertisement which made us stop to ponder. It concerned the installation of the frozen food locker storage. The Company who had installed this particular refrigeration unit also advertised the fact they had made installations in 63 other frozen food locker storage plants in Alberta.

Now whether or not it happened to one Company or another who had installed it doesn't vary much matter, but the fact did enter our minds that there was not a frozen food locker plant in the Wainwright district. Why this has not come about we do not know. Plans were being laid for a local concern to install this modern convenience last year, but to date nothing has come of it. Whether they are going ahead with the plan or not, it is hard to say, but in the event that they don't why doesn't other capital come to the rescue.

Surely when 63 other towns and villages who have installed one particular brand of refrigeration, and goodness knows how many more towns who have other manufacturers installing them, find that they can be a profit making enterprise why has it taken so long for this modern living device to enter into our business circles.

It has been argued that a frozen food locker plant can pay its way only on a very large scale. This must be nonsense or else how do so many small villages find it convenient to have within their borders a profit making enterprise? The one thing about the initial starting of a locker plant is the cost. There is very little up-keep to an establishment of this nature though and once started it should bring the owner a comfortable living.

It was not only the advertisement in the dailies but a few weeks ago we had the pleasure of eating fresh strawberries with cream. Does anyone know of a finer dish, and yet why should they only be enjoyed once a year for a season of two weeks. It surely is not considered in the delicacy class to be able to eat fresh fruit only in the short season which we know them. Frozen food locker storage would give the residents of the district the opportunity to buy such fruits when they are available and then to eat them when they so desire.

Also consider the hunter. Every fall many nimrods obtain their full quota of ducks, partridge and geese only to find some of them spoiled because they can not be used before they would spoil. With frozen food lockers, it would be possible to eat this wild game any season of the year.

Now as it stands we think that we are missing one of the most modern conveniences of every day life. Not that the missing of this will do any great harm, but the fact still remains if other centres much smaller than Wainwright can maintain and support a locker plant we see no reason why one in Wainwright could not become a success.

The answer to the problem is capital. How or when and from where this capital is to come from are all questions which must be decided before any action will be taken. Until then the question will be "Why not here?" Surely someone could be induced to give Wainwright a taste of this convenience.

SHAME ON THEM

Now that school is just about over for another term, the same pattern of action will follow as in past years unless some irresponsible party or persons take to the honest method of growing their own flowers.

Reports from the school principals and the janitor indicated that every year scissor artists become busy just after school is let out and away goes many hours of hard work in the making of flower beds. A school yard would look very barren if it were not for the flowers, trees and hedges that are growing there. These plants have taken a good deal of time and effort to prepare and all that time and effort will be wasted if persons unknown rob the grounds of the flowers. In all likelihood the person who has been cutting the flowers in summer past did it with little or no thought, thinking that they would only go to waste if left in the flower bed. This is a mistaken notion because in all probability they would still be in bloom in September when school re-opens.

If you have been an offender, or know who has, please pass the word along to leave the flowers and plants in the school grounds alone. After all they were planted for the beautification of the school grounds and for no other purpose.

Instructors Urgently Needed

Reports received from numerous sources here in the Province by Mr. J. A. MacLeod, Chairman of the Swimming and Water Safety Committee, Alberta Division Canadian Red Cross Society, clearly indicate that swimming instructors are in great demand but short supply this year.

In Alberta there are a good many communities with swimming pools as well as locations with excellent natural facilities. These are all used extensively but unfortunately none of these facilities or swimming pools have definite programmes that are aggressive enough or far-reaching enough in their results—principally because good swimmers qualified as instructors, who could render service to these communities are at a premium.

Swimming is the unanimous choice of doctors, college sport directors, physical educationalists and others, as the form of recreation that contributes more to every stage of mental and physical progression, and development than any other sport or recreation yet known to man.

The correct instruction of swimming is an art and those participating usually find it interesting as well as beneficial to both themselves and others. Instructors, by improving their skill and demonstrational abilities, become a part of a national group of specialists who are aiming to reduce the yearly drowning toll by offering correct instruction of swimming and Water Safety skills. In addition they offer an essential form of physical education.

Possibly, the greatest satisfaction that instructors gain is that of watching their youngsters swim correctly — SAFELY — and knowing that they, the instructors, are indirectly responsible for the preservation of human life.

For the many communities that have an urgent need for instructors and a definite programme, the Swimming and Water Safety Programme of the Canadian Red Cross is the answer.

The programme of the C.R.C. depends upon young people for Water Safety Instructors. Swimmers who can swim all of the strokes with reasonable ease and style, have leadership ability and instructional tendencies, a knowledge of lifesaving and are desirous of devoting leisure time to the instruction of others are cordially invited to take Leadership Courses of quality by Water Safety Instructors.

Courses have already been held at Calgary and Edmonton this year and candidates have come from those cities as well as from outside points such as Banff, High River, and Red Deer. Additional Leadership Schools will be held in July at the following centres: Medicine Hat, McLeod, Pigeon and Sylvan Lakes as well as Edmonton.

Hints for the Household

HUNHAI! HUNHAI! A PUNYO

As the holidays draw near a certain amount, or should we say a great amount, of enthusiastic planning gets underway in anticipation of thoroughly enjoying the occasion. Whether the plans develop into a car drive to some favourite spot several miles from home, an optimist's fishing trip to a nearby stream, or a lazy day spent at the foot of the garden, the picnic basket will undoubtedly be one thing which will not be overlooked in the advance preparations.

Let us pretend that we are going to have a picnic in a secluded spot near a river or lake with the water not too cold nor yet too warm for paddling in it, with a good place on the beach so that, if you wish, you may build a small fire without danger of doing any harm; where there is a very nice grassy green on which to spread the picnic table. Add to this blue skies and sunshine, temperature befitting and the picnic stage is set.

Now, as children would say, what about the picnic, meaning of course the contents of the picnic basket. For them, and others who might be mentioned, eating with gusto those good things brought from home really makes the picnic.

The home economists of the Consumer Section of the Dominion Department of Agriculture have done some planning for your picnic in their testing kitchen. Here is one of their picnic appetizers which may appeal to you.

Tomato Juice—left in the can and chilled in river or lake.

Picnic Hamper: Salad—carried in glass jar.

Lettuce, Radishes and Green Onions

Cheese Bread—plain or toasted

Fruit Tarts

Tea or Coffee—for the Grown-Ups

Milk—for the growing.

Picnic Hamper Salad

2 cups diced cooked ham, tongue or

veal

2 hard-cooked eggs, chopped

1/2 cup canned peas, well drained

1/2 cup chopped pickle

Salted dressing

Salt and pepper to taste

Toss all ingredients together. Mix

slightly with enough salad dressing

to moisten. Serve on lettuce with

radishes and green onions.

Cheese Bread

1 cake compressed yeast or 1

tablespoon fast rising dry yeast

3 cups liquid (water, milk or

poor water)

1 tablespoon sugar

1 tablespoon salt

6 cups sifted all-purpose flour

2 cups grated cheese

2 tablespoons fat, melted

Blend liquid, then add to lukewarm

Use 1/4 cup of the lukewarm liquid

to dissolve yeast. Dissolve sugar and

salt in remaining liquid and add to

yeast mixture. Add 1 1/2 cups of the

flour, beat well and add melted fat

and hot fat. Blend thoroughly.

Add remaining flour, mixed with the

cheese, making a stiff dough. Toss on

floured board and knead well. Place

in a large greased bowl and let rise

until double in bulk. Knead slightly,

shape into loaves, cover and set in a

warm place to rise until double in

bulk, about an hour.

Bake in a moderately hot oven,

375° F., until the loaves shrink from

the sides of the pan and give a hollow

sound when tapped—about one

hour. Makes 2 loaves, approximately

1 1/2 pounds each.

four days. The most modern methods

of visual education are used and

comprehensive and complete lessons

are given. The Canadian Red Cross

will bear the expense of bringing

candidates into the schools. Those in-

terested are requested to apply

through their local Canadian Red

Cross Branch.

SUMMER SURVEY

While the children have leisure from classes and many of the adults, too, have holiday periods, health authorities in Ottawa hope advantage will be taken of the chance for a complete dental survey this summer.

Regular oral examinations at this season, and again in a few months when the youngsters have more vacations, will ensure against dangers to health and comfort. Medical experts remind Canadians that early detection of possible dental trouble is important, and say that the twice-a-year check-up should be generally adopted.

"Portah, portah! Come heeh at ones!" cried an English woman from a train window to a Scots porter in that aggravated accent that always seems to put a Scot's back up.

"What d'ye want?" asked the porter.

"Portah, I've lost my luggage."

"Then," he said, turning round and strolling away, "for what wad ye be wanting a porter?"

MAKING BETTER IMPLEMENTS

Through 100 Years..

This type of mower was built at the Massey works as early as 1852.

ABOUT 1820 a mower was invented with a circular cutting blade which revolved against the grain, apparently imitating the action of the old scythe blade.

A few years later a mower was invented in the United States which had a sharp knife with teeth moving sideways in a row of iron fingers or guards. The first mower of this type to be made in Canada was produced in 1852 at the Massey works, the little place which has grown into the Massey-Harris industry of today. And all through its 100-year history this company has been a leader in developing labor-saving farm devices.

The use of modern Massey-Harris farm machines has brought many benefits to Canadian farmers. The Massey-Harris Side Bale and Tedder turns the hay into light, fluffy windrows, so the air can cure it quickly. The Massey-Harris Hay Loader builds a load of well over a ton in twenty

minutes. The Massey-Harris Forage Harvester enables a farmer to cut hay at the right time—providing nutritious forage for livestock.

Massey-Harris machines mean speed, large-scale production. They have reduced production costs per acre and have increased the farmer's yearly profit.

Model "Harris No. 6" Semi-mountain tractor-mower

Works equally well with any type of tractor. Power take-off driven. Fast operation with safety. Built for fast tractor operation.

DIVIDE BEE COLONIES

BEFORE END JULY

Whether the intention of the beekeeper is to increase honey production or to increase the number of colonies, the method is by division of colonies. It is important that any division of colonies should be made during the main honey flow, not later than the last week of July, so that the new colonies may have ample time to become strong before winter. Where honey production is the main consideration, the colony should be divided only once. Where the increase of colonies is the desired object, the following methods may be used, advises C. B. Gooderham, Dominion Apiarist.

At the beginning of the main honey flow when the colony has reached full strength, move all brood to an upper super above a queen excluder, leaving the queen below on empty combs. If the queen has occupied two chambers, place all brood possible in the upper one. Nine days later split the brood that is in the supers into two frame nuclei, leaving one queen cell in each nucleus—or, better still, destroy all queen cells and introduce a young laying queen to each.

As soon as the colony becomes strong at the beginning of the main honey flow, remove two combs of emerging brood with adhering bees and one comb of honey; place these in a new hive; fill up with drawn comb, and introduce a laying queen. Replace the combs taken from the parent colony with empty drawn combs. This can be repeated four or five times during the honey flow.

Make the divisions in the evening and do not disturb them for at least seven days. Assist weak nuclei with brood from very strong colonies and keep them well supplied with food. When the first brood is raised to the super, the beekeeper should rear a few queens from his best stock in order to have young queens when the divisions are made, using the super containing brood for finishing the cells.

BROOD SOWS NEED EXERCISE

For larger litters give your sows more exercise and access to soil, grass and plant roots. A. J. Charneval, Live Stock Supervisor, says that there has been a big difference in the size of litters this spring, and there seems to be a direct relationship between the health and vigour of pigs in the litter and the way the sow has been handled on a year-round basis.

Reports of generally poor results come from farmers whose sows have been pampered, confined to small quarters, and denied sufficient green plant feed. On the other hand, reports of sows producing larger litters indicate that they have had considerable pasture and exercise during the year.

Sows farrowing the larger litters were fed on simpler feeds. Their rations contained a larger proportion of oats balanced with tankage or protein concentrates of animal origin. In some cases old horses were slaughtered during late fall and winter and the flesh fed to hogs with very good results.

Dry sows, until a week or two before farrowing, should be provided with ample range. The fenced in area should include trees, alfalfa and vetch grass plots that have been found difficult to handle. Water should be available and controlled by self-watering devices. Feed and minerals should be provided as required, but don't be too liberal with the barley. Don't forget the potassium iodide during the winter months. Small pot-holes and muddy sloughs should not be included in the hog run since such places readily become sources of infection of the more common swine diseases and parasites.

DDT AND FORAGE CROPS

Although DDT is not used to any extent in Alberta for the control of insect pests on forage crops, an interesting side-light on the effect of treated forage on animal products comes from the United States.

Dr. F. N. Anand, Chief of the Entomology Bureau, United States Department of Agriculture, reports that there has been some concern over secretion of DDT in milk because it concentrated in the butterfat so that butter may have fairly high quantities. The United States Department of Agriculture is not recommending DDT for forage crops to be fed to milk cows because of that hazard. Officials of the Dominion Department of Agriculture advise that the above has no bearing on hornfly control since only 0.25 to 0.5% DDT in wattle powders are applied to cattle for the control of hornflies. The danger referred to is from heavy dusting of pastures with DDT.

MODERN HAYING EQUIPMENT

It is definitely known that there are more minerals and vitamins in green coloured, well-cured, hay than in weathered fodder that has lost its colour. It is therefore important that hay be cured in such a way that as much as possible of the rich green colour is retained. This is particularly applicable in areas where the grazing season is of relatively short duration, says the Dominion Experimental Station, Melfort, Sask.

If hay is to be put up in the desired condition it must not be left too long in the swath where the sun will bleach the colour out. Furthermore, when it is sufficiently well cured to store, it must be done quickly lest a rain storm comes. Fortunately during recent years, stacking equipment has been developed that enables the

farmer to put the hay up quickly with a comparatively small gang of men and with little heavy work.

There are a considerable number of different makes of stackers that can be attached on front of the tractor. With them up to about half a ton can be gathered, brought in and raised over 20 feet and dumped. Other methods are being used in drier parts of the Prairies with considerable success, but so far have not been tried out extensively in North-Eastern Saskatchewan where rain showers are more frequent during the haying season.

WAR BRIDE TELLS OF HARDSHIPS IN ENGLAND FED CATTLE STRAW MATTRESS

Mrs. Lorne LeCraw, of Norland, Ont., a war bride from England, has received a letter from her father, which sets forth the terrible plight of hundreds of farms in England, especially during the snow storms of the past winter.

Mr. Hugh Walker, farmer, of Carleton Place, Ontario, writes that during a snow storm fodder for cattle was so scarce that he was forced to feed his cattle an old straw mattress. The mattress was over 100 years old. Even this did not suffice, as he lost his cattle because of starvation.

Carleton is situated in the northern part of England, near the Scottish border.

Mrs. LeCraw told a reporter that hardships of the war were as nothing compared with the hardships of the past winter.

"What happened, George?"

"Famine."

"You should have looked out for it. The guide book says that there is a fork in the road just about here."

NEWS & VIEWS OF TOWN AND DISTRICT

BORN—To Mr. and Mrs. Stanley Smith of Fabyan at the Wainwright municipal hospital on June 17th, a girl.

BORN—To Mr. and Mrs. C. N. Tunney of Edgerton at the Wainwright municipal hospital on June 18th, a girl.

BORN—To Mr. and Mrs. M. J. Cryderman of Ribstone at the Wainwright municipal hospital on June 18th, a boy.

BORN—To Mr. and Mrs. Fred Bradley of Car at the Wainwright municipal hospital on June 23rd, a boy.

Mrs. W. D. Walker of Jasper is spending a few days visiting with her son and family Mr. and Mrs. Eddie Walker and renewing acquaintances in town.

Mr. and Mrs. W. Lyle accompanied by Mrs. M. Chynoweth left on Wednesday night's train for an extended visit with relatives and friends in the East at Toronto, Niagara Falls and other points east.

Rev. and Mrs. Joseph Mockan from the Presbyterian Mission in Jhaad, India will show slides and curios and tell of their work and experiences in the East on Wednesday, June 26th, at 8:00 p.m. in St. Andrew's (Pres.) church.

Miss Anne Callan left on Monday night's flyer for Toronto where she will spend the holiday visiting with her sister Mrs. A. E. Trickey.

Mr. and Mrs. J. J. Ryben of Danforth, Illinois, are visiting with Mr. and Mrs. J. J. Ryben, Auburndale, also other relatives and friends in the district.

Eddies Food Market has shown a real improvement by the addition of a new Frigidaire display counter for fresh fruits, vegetables and meats.

Mrs. J. Middleman left on Tuesday morning to visit with relatives in Vancouver.

Mr. and Mrs. Phillips of Unity, Saskatchewan, have moved to Wainwright recently and are residing here.

We are sorry to report Mrs. A. L. Hardin quite ill in the local hospital and extend wishes for a speedy recovery.

Mr. and Mrs. W. S. Clark motored to the city on Sunday with Mr. F. E. McLeod.

Miss Murial Wubraham left recently for Taber, Alta., where she has accepted a position on the hospital staff.

Tuesday, Prayer Meeting 8:00 p.m.
A welcome awaits you
REV. H. ROSENKE, Pastor

Mr. O. Griffiths spent a few days in the city last week where he attended a refresher course on Adult Education. He was accompanied by his sons who visited with relatives.

Miss Flora Macleod arrived in town last Saturday after a very enjoyable trip on an L.E.P. palatial airliner from Prestwick, Scotland to Goose Bay near Montreal, then via C.N.R. to Wainwright where she will visit with her brother and sister-in-law, Mr. and Mrs. J. C. McLeod.

Mr. and Mrs. Stuart Robble left on Saturday to motor to Lethbridge where Stu will attend the convention of the Agricultural Institute of Canada. They expect to be away all week.

Wainwright Motors report having sold two new cars last week, a coach to Mr. S. Robble and a five passenger coupe to Mr. Kirk Snyder.

Mr. Allen Dixon is home from Edmonton where he has been attending the University, to visit with his parents.

Dr. O. S. Hauck recently purchased a new Chevrolet from the Buffalo Service Station which he drove to Banff to attend the Dental Conference held there.

The Wainwright Denary will meet in the Parish Hall of the Anglican Church on Tuesday, June 24th. Rev. Wolfe will motor down accompanied by the Diocesan President Mrs. Tack-sherry also Mrs. LaRoque and Mrs. Creagie all of Edmonton.

Mr. and Mrs. Orla Iverson of Wainwright have received word that their son, Kenneth E. Iverson has won four scholarships totalling \$210.00 at Queen's University in Kingston, Ontario. The University Scholarship of \$100.00 was awarded for having the highest average in his courses in the Faculty of Arts. Kenneth plans to continue his studies at Queen's University as he and his wife reside there.

Mrs. Ada D'Albertson of Chauvin spent last week visiting at the home of Mrs. W. J. Huntingford.

Our congratulations are extended to the following local students who have received special prizes and honors at the Commencement Exercises at Alberta College Edmonton, Miss Ethel Whelan, Messrs John King and Fred Smith.

Miss Edna Jaschke arrived at the week-end to replace Miss A. McCurdy on the local Treasury Branch Staff. Miss McCurdy has received a transfer to Medicine Hat where her home is.

Miss Edna Jaschke arrived at the week-end to replace Miss A. McCurdy on the local Treasury Branch Staff. Miss McCurdy has received a transfer to Medicine Hat where her home is.

POUND NOTICE

Notice is hereby given that James
Waddell of Wainwright, Alberta, has
been appointed a Pound-keeper, the
Pound to be located on the SW
23-46-4 W. 4th.

Notices will be posted at the Pound
and at Wainwright Post Office,
Charles Willsingham,
Sec. Treas.
M.D. of Wainwright No. 61
Wainwright, Alberta. 25-6

This is no time for small men in
big jobs. We need great men in all
jobs—even little ones.

The Editor
Wainwright Star.

Dear Sir,
Now that the polo season is upon
us, and we are being warned that the
common house fly is a very probable
carrier of that dread disease, I feel
that it is high time the disgraceful
condition of the lanes of our town
was brought to the notice of those
responsible.

One has only to count the number
of new houses that have been built
in towns during the past two years,
to realize that the old system of gar-
bage removal (if it ever were ade-
quate) is certainly not fit to cope
with the present situation.

In many lanes no garbage has been
removed since last fall. How many of
the outdoor privies have been pump-
ed out since spring? When one con-
siders that all the removal is done
with horses, it is not much wonder
that one man finds it impossible to
keep up with this most necessary
duty.

Most citizens make an honest ef-
fort to burn all possible waste, but in
spite of this, a lane with houses close
together and on both sides soon
accumulates a most unsanitary and
unsavoury collection of refuse, which
simply cannot be burned.

We women put up with many in-
conveniences in Wainwright. We
wallow through mud in wet weather,
push prams through the stifling dust
in dry weather and uncomplainingly
stub our toes on what passes for side-
walks, but when the health, perhaps
the very lives of our children are
threatened by this gross neglect of
sanitation, any mother worthy of the
name must needs protest.

Why could not an extra man with
a truck be put on to haul garbage
only, during the summer months
when the rear of polo haunts every
home? This service could be discon-
tinued once the sewage system was
installed and surely the cost ought
not to be prohibitive considering the
dire need.

Isn't it time we stopped grumbling
among ourselves and demanded ac-
tion? Why not clip this letter and
hand or mail it to your mayor or
councillor? Let us not wait until
some innocent child pays the penalty
for gross neglect by those whose
duty it is to protect him.

MRS. O. GRIFFITHS

SUMMER APPETITES

If Canadians find the appetite a
bit jaded in summer months, authori-
ties on healthful feeding offer ice
cream as ideal for whipping up the
interest of the palate.

Ice cream is nutritious as well as
palatable. It includes in addition to
a mixture of cream and other milk
products, such things as starch, sug-
ar, gelatin, gum arabic, flavoring ex-
tracts and eggs.

As a further invitation to a meal
nutritionists suggest some such deli-
cious "topping" as fresh straw-
berries on the ice cream.

The answer to "Work or Want" is
"Want to Work"

The character of the man makes
the difference between lasting great-
ness and a meteoric flash in the pan.

Special Notice**To Piano Owners**

A special warning is here-
by issued to all piano owners
that Mr. Virgo Goulson has been
misrepresenting himself as a piano
tuner and claiming to be associated
with Pepin & Sons in Wainwright
and District. We wish to
announce that this party is not a
certified member of the Alberta
Assoc. of Piano Tuner Technicians
and is not associated with Pepin &
Sons of Piano and Organ Tech-
nicians of Edmonton. (25-6)

**Edmonton Exhibition
July 14th To 19th**

The greatest galaxy of education
and entertainment ever assembled
will be staged during the week of the
66th annual summer fair sponsored
by the Edmonton Exhibition Asso-
ciation. The fair will open on Monday,
July 14th, and will continue through
the week.

There will be six days of horse rac-
ing with seven races daily, and some
of the finest handicap stars of West-
ern Canada and the mid-west United
States will be competing for the
greatly increased prize money offered
this year.

The entries in the livestock divi-
sion are the heaviest in recent years
with every western province sending
in entries to compete against live-
stock entered from British Columbia,
Ontario, Quebec and the United
States. As usual there will be the
annual parade of livestock on Friday
morning of fair week. Entries in all
livestock classes will close on June
20th at 2 p.m.

In the agricultural sections there
will be exhibits of grain and grasses
from noted exhibitors, and a splendid
array of flowers also is expected to
be on display.

On the entertainment side the Ro-
yal American Shows, one of the lead-
ing Midway organizations in Amer-
ica, will be on display with bigger
and better rides and side shows.

The grandstand attractions this
year are outstanding, and will be
headlined by international stars of
stage, screen and radio. Amongst
the acts to be presented each evening
in front of the grandstand are Reg
Kelson and his Maritime Queens, one
of the most versatile groups on the
stage today. They have been featured
in Columbia pictures, and have played
in most of the leading cities in the
United States.

Al Robins, "The Banana Man" is
one of the funniest acts in vaudeville,
and he has been a regular feature
act with the Ringling Brothers show
"Spangles" at Madison Square Gar-
den, New York. He is rated with the
top act door comedy acts in North
America.

Always a favourite with Exhibition
crowds is Duncan's Royal Scotch
Collies. They are coming direct from
the Palladium and Coliseum in Lon-
don, England, to appear again on the
western fair circuit. This act has
appeared before Royalty in Britain,
and is considered the World's finest
canine act.

There are a host of other grand-
stand attractions including Howard
and Wanda Bell, acrobats, in a
breath taking act; Billy Chandler,
the Funny King of Swing; Sylvia
Manon and Company, in Adagio De
Luxe, and Dorraine and Ellis, in
Romance in Song, one of the finest
teams ever presented in Western
Canada.

Reduced fares will be available
from all stations in Saskatchewan,
Alberta and British Columbia, except
Vancouver Island, and British Col-
umbia coast service. These fares will
be available from July 12th with the
return limit set for July 21st, or the
first available train after that date.

Attention Members

Members of the Wainwright Boys and Girls Club
are reminded to bring their calf entries into the stock
yards for weighing by—

10:00 a.m. Thurs. July 3rd

The show and sale will be held in the Wainwright
Skating Rink, judging to start at 1:00 p.m., and the sale
immediately after. There will be a banquet and prizes
will be given, at the Wainwright Hotel Cafe after the
sale. This should be at approximately 5:00 p.m.

Announcement

We take pleasure in announcing that we have obtained
the exclusive appointment as Wainwright and District
representatives for—

"Tile-Text Floor Tiles"

These tiles when properly laid will give years of hard
wearing service and outlast any linoleum. They are easy
to clean and are also sanitary. Ideal flooring for kitchen
or bathrooms.
